Dear Valued Customers and Associates of Lite the Nite,

It is with disappointment that due to the 15% tariff increase by the U.S. Department of Commerce effective May 5th, Lite the Nite will adjust our pricing 9% effective August 1, 2019. This will affect all Power Packs, Fixtures and LEDs. Orders placed prior to August 1st will be honored at current pricing. In all fairness to our customers, if and when the tariff gets withdrawn, Lite the Nite will dispose of this increase. Please contact our office directly or any of our representatives for the new price list.

We apologize for any inconveniences this may cause and thank you for your continued support. Please let us know if you have any questions.

Regards,

Bob Quinn
